

**GREATEST FERRET SHOW ON EARTH #28**  
**08 October 2016**

Owner/Agent Name: \_\_\_\_\_

#	Ferret Name	Coloring	#	Ferret Name	Coloring
1			2		
3			4		
5			6		
7			8		
9			10		
11			12		
13			14		

Sample of Acceptable and Unacceptable name comparisons:

Acceptable?	Show Name	Testing Name
Yes	SHD's Bubba Gump of KD	Bubba Gump
Yes	Fireworks aka Boomer	Boomer
NO	Sunshine	Sweet Pea

All ferrets at the show must provide proof of negative ADV (Aleutians Disease Virus) testing within one year of the show. Testing must be done by the Blue Cross CEP Test or the Avecon ELISA test. Results must be (1) on the original results letter head, (2) testing date must be on letter and within the stated period, (3) ferret names must be on testing result's letter (names must match show entry). Avecon POCT instant test and Avecon Blood tests are not acceptable. A letter from your vet is not acceptable. Faxes or copies are not acceptable. Notarized copies with raised seals signed by the owner of the original test results are acceptable.

- No ferret that I am bringing with me into the show hall today has ever had a definitive positive test result on the Blue Cross CEP or Avecon ELISA saliva test (POCT and ELISA blood tests are not acceptable).
- If in the past 4 months a ferret from my household (shelter/facility/ferretry) has had a definitive positive test result on the Blue Cross CEP or Avecon ELISA saliva test (POCT and ELISA blood tests are not acceptable), I understand that all ferrets in the same household (shelter/facility/ferretry) are considered as being exposed. I also understand that I cannot show or bring any ferrets from said household into the show hall today, regardless of their testing status.
- I also understand that just because all ferrets in the show hall today have been tested for ADV within the past year, that this is not a guarantee of safety. I understand that the test is only as good as the day it was taken and I still need to practice SAFE FERRET habits at all times.
